Cubicle + Washroom Systems

Colour Collection 3

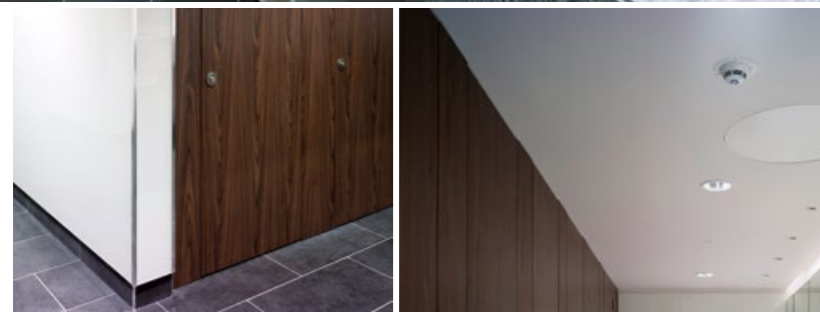

Design That Lasts

Cubicle + Washroom Systems

Stylish and practical, the Petal Colour Collection 3 range of decorative washroom panels features Compact Grade and High Pressure Laminates in the same surface decors and textures, so they can be used together to cost effectively fit the demands of your project.

Compact Grade Laminate

Strong and durable panels for the toughest environments.

Exceeding the requirements of BS EN 438.

Water resistant – perfect for all washrooms and changing rooms.

Black edges can be machined to any profile you choose.

All Compact Grade Laminate plain colours, woodgrains and abstract decors colour match the High Pressure Laminate range of decors.

Complies with the Equality Act and relevant building regulations to assist people with mobility issues to access public buildings.

High Pressure Laminate

Postforming grade panels for seamless curved shapes.

Exceeding the requirements of BS EN 438.

A choice of substrates such as MR MDF with a selection of different thicknesses can be specified.

All High Pressure Laminate plain colour, woodgrain and abstract decors colour match the Compact Grade Laminate range of decors.

Complies with the Equality Act and relevant building regulations to assist people with mobility issues to access public buildings.

Relevant NBS Clauses:

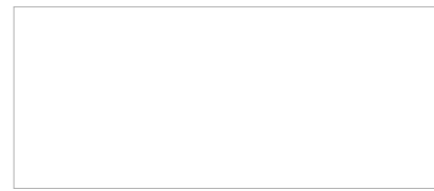

K30 Panel Partitions, K32 Panel Cubicles, L20 Doors, N10 General Fixtures & Fittings.
