150mm floor clearance

Doc M Compliance Options

Inline inward and outward openings
Enlarged and ambulant
Emergency release indicator

A fun, bright approach to the provision of a welcoming infant washroom environment featuring low level panels scaled to allow both child privacy and supervision of users by carers.

Child friendly finishes include radiused edges and rounded corners on compact laminate panels while striking graphic options complete this ideal nursery solution. Beep is designed to last with a secure floor fixing and continuous wall channel making this a practical freestanding system.

Cubicle Height

The Petal sales team and technical advisors are available to offer helpful advice at every stage of your project. To help you plan and discuss your project with us we have illustrated some typical cubicle layouts with details on components and sizing.
