A premium bespoke floor to ceiling system for washrooms demanding the highest levels of privacy, build quality and design flexibility.

Esteem delivers the ambience of a hand built finish with invisible fixings, hardwood edgings, quality fittings and substantial 46mm doors. Nothing about your choice of colours or fittings need be standard as we will design and build your ideal washroom. Please talk to us early in your project planning to ensure that your particular requirements can be met.

Cubicle Height

The Petal sales team and technical advisors are available to offer helpful advice at every stage of your project. To help you plan and discuss your project with us we have illustrated some typical cubicle layouts with details on components and sizing.

You can download these drawings from our website www.petal.co.uk
