**Flush fronted with clean and minimalist styling, Line is finely detailed with rebated doors and set back pilaster feet that accentuate the system's unbroken smooth appearance.**

Full of features normally associated only with premium priced cubicles, Line offers modern washrooms all this and more as a mid price range option. A wide choice of panel options including rich real wood veneers add to the sense of quality and widen the possible usage of the system which features outward openings.

## Cubicle Height

The Petal sales team and technical advisors are available to offer helpful advice at every stage of your project. To help you plan and discuss your project with us we have illustrated some typical cubicle layouts with details on components and sizing.
