Polished granite vanity

Back painted glass upstand

Undermount wash hand basin

Compact mirror housing system

Satin finish taps

Glass wall lining

PETAL

Whether your project calls for a classical, ultra-modern or just plain funky design, we have the experience to deliver solutions that really work.

Based on more than 40 years of experience we have perfected the best ways to manufacture and install premium washrooms which are guaranteed to satisfy the client.

Our values remain the same. We are ready to go the extra mile to make it happen within your budget and timescale.

Thankyou for considering Petal as your partner for washrooms.

Patrick Monaghan
Managing Director

Tactile Quality

There is no substitute for quality when you are specifying a premium washroom system. Our manufacturing quality is matched by established supply chains for the best available materials, creating a tactile sense of quality.

Esteem

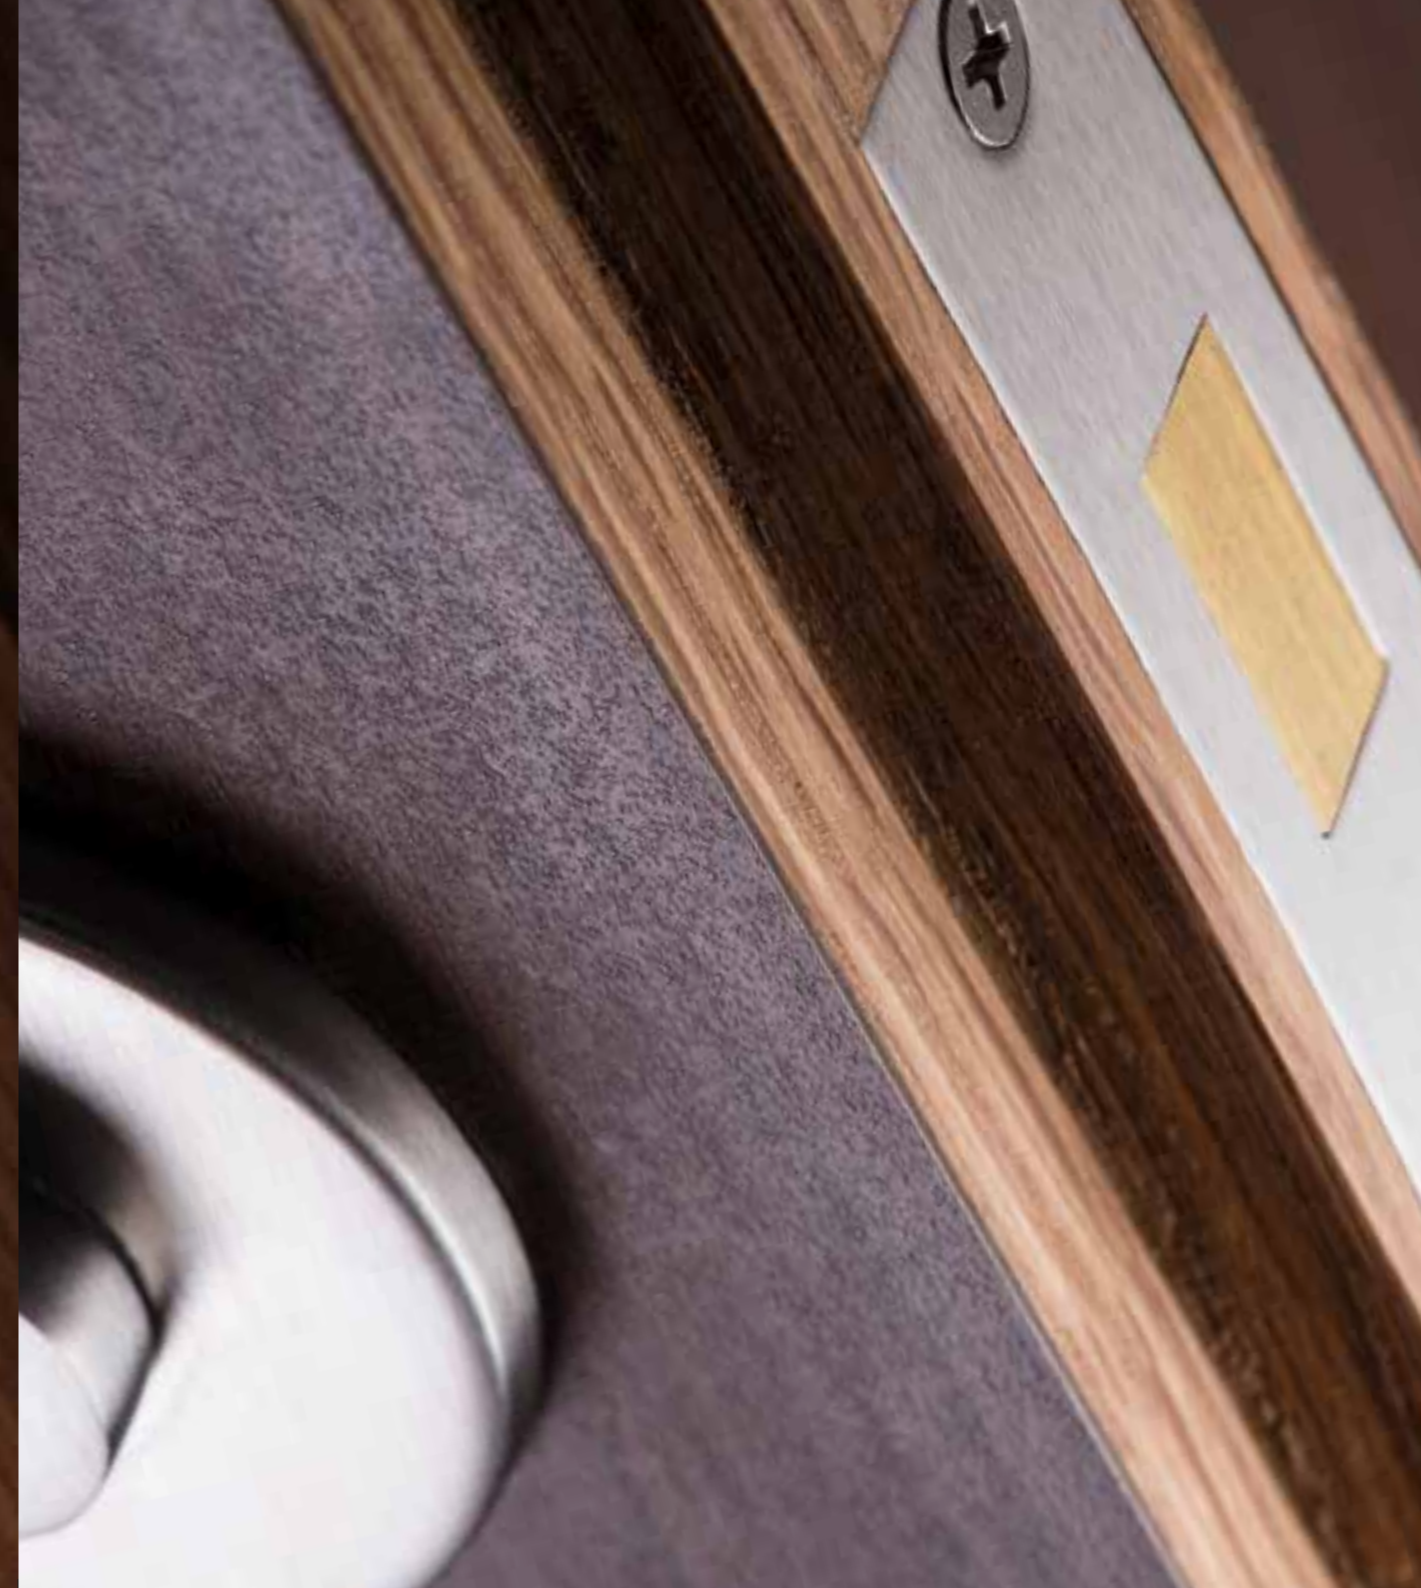

The market's most efficient luxury floor to ceiling cubicle.

TECHNICALLY SUPERIOR

Esteem delivers the ambience of a hand built finish with bespoke fixings, hardwood edgings, quality fittings and substantial self-closing 44mm doors.

- Floor to ceiling
- Max height 3000mm
- 44mm door thickness
- Veneer, glass or laminate door finishes

Esteem

Taking privacy
to a higher level

From first impressions to the moment you touch the 44mm thick doors there can be no doubt that every consideration for the users' comfort and privacy has been made.

Creative freedom is extended to the specifier through the availability of the widest possible range of materials and finishes. Choose classical opulence with natural timbers or raise the tempo with glass, bold shades or gloss finishes.

DESIGN FREEDOM

The Esteem range can be configured to meet your unique interior design requirements.

- Options on cubicle layouts and height
- Options on cubicle materials, including glass, timber, acrylic etc.
- Full fitout including panelling and bespoke fittings.

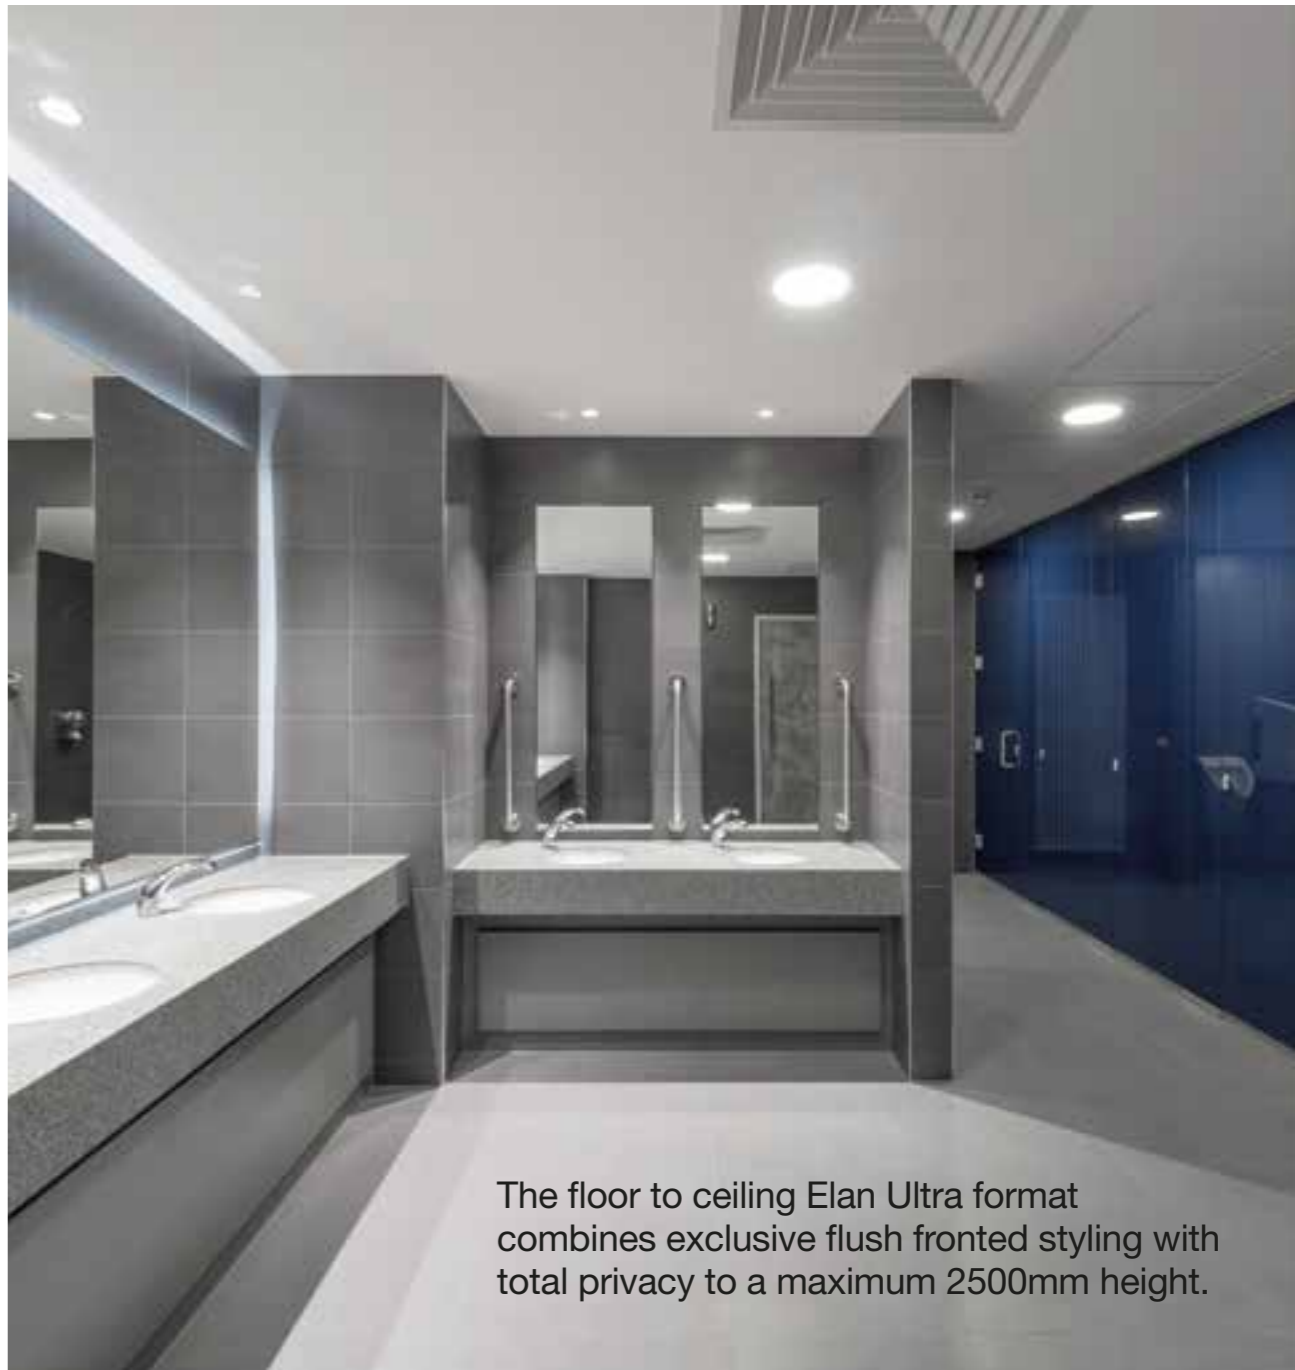

AC Hotels by Marriott, Belfast

BESPOKE

Combining relaxed style with premium finishes, this bespoke washroom was created to match the interiors at a new build AC Hotels property.

Elan Ultra Glass

Glass cubicles make a strong statement on design vision for any project.

Holiday Inn, Heathrow

The floor to ceiling Elan Ultra format combines exclusive flush fronted styling with total privacy to a maximum 2500mm height.

Elan is finely engineered with a rebated glass privacy door detail and low profile indicators and concealed fixings.

Elan Plus

Elan Plus introduces a welcome sense of the unexpected, combined with performance.

Cardiff Lane, Dublin

Elan Plus

High on performance and versatility, Elan Plus is a stylish inline glass system.

Elan Plus features a 150mm floor clearance and is the ideal system for exclusive multi-use applications combining washroom, showering and changing in a wet room environment.

Division Material Options

15.52mm toughened and laminated safety glass

Floor Clearance Height

100mm

Overall Clearance Height

2200mm

Glass makes a strong design statement in a modern executive interior

Line Ultra

The optimum VE solution for floor to ceiling privacy.

Custom House Quay, Dublin

Line Ultra

A premium, full height, flush fronted cubicle system designed to provide maximum privacy in the most stylish manner.

Floor Clearance Height
10mm

Overall Clearance Height
3000mm

Cubicle Systems

PETAL

Line Plus

Unrivalled for its combination of privacy, style and commercial efficiency.

i9, Wolverhampton

Line Plus

Flush, inline styling with additional privacy.

With heights of up to 2.4m available, Line Plus can achieve the appearance of a full height system in many applications.

Door Thickness

30mm

Floor Clearance Height

50mm

Overall Clearance Height

2400mm

Line

The standard height version is simply stylish with finely detailed features.

Line

Flush fronted with clean and minimalist styling.

Line is finely detailed with rebated doors featuring hardwood edges and set back pilaster feet that accentuate the system's unbroken smooth appearance.

Door Thickness

30mm

Floor Clearance Height

150mm

Overall Clearance Height

2000mm

National Concert Hall, Dublin

Every Line installation regardless of layout features the same inline design with solid hardwood door lips, rebated detailing for privacy and quality stainless steel door furniture.

Advanced Panel System

Glass P400

Advanced Panel System

Glass paneling adds a powerful statement to any project and with endless colour choice can set the mood from elegant to vibrant.

Petal's P400 system provides a full range of access option via hinged panels.

Compact Grade Laminate P300

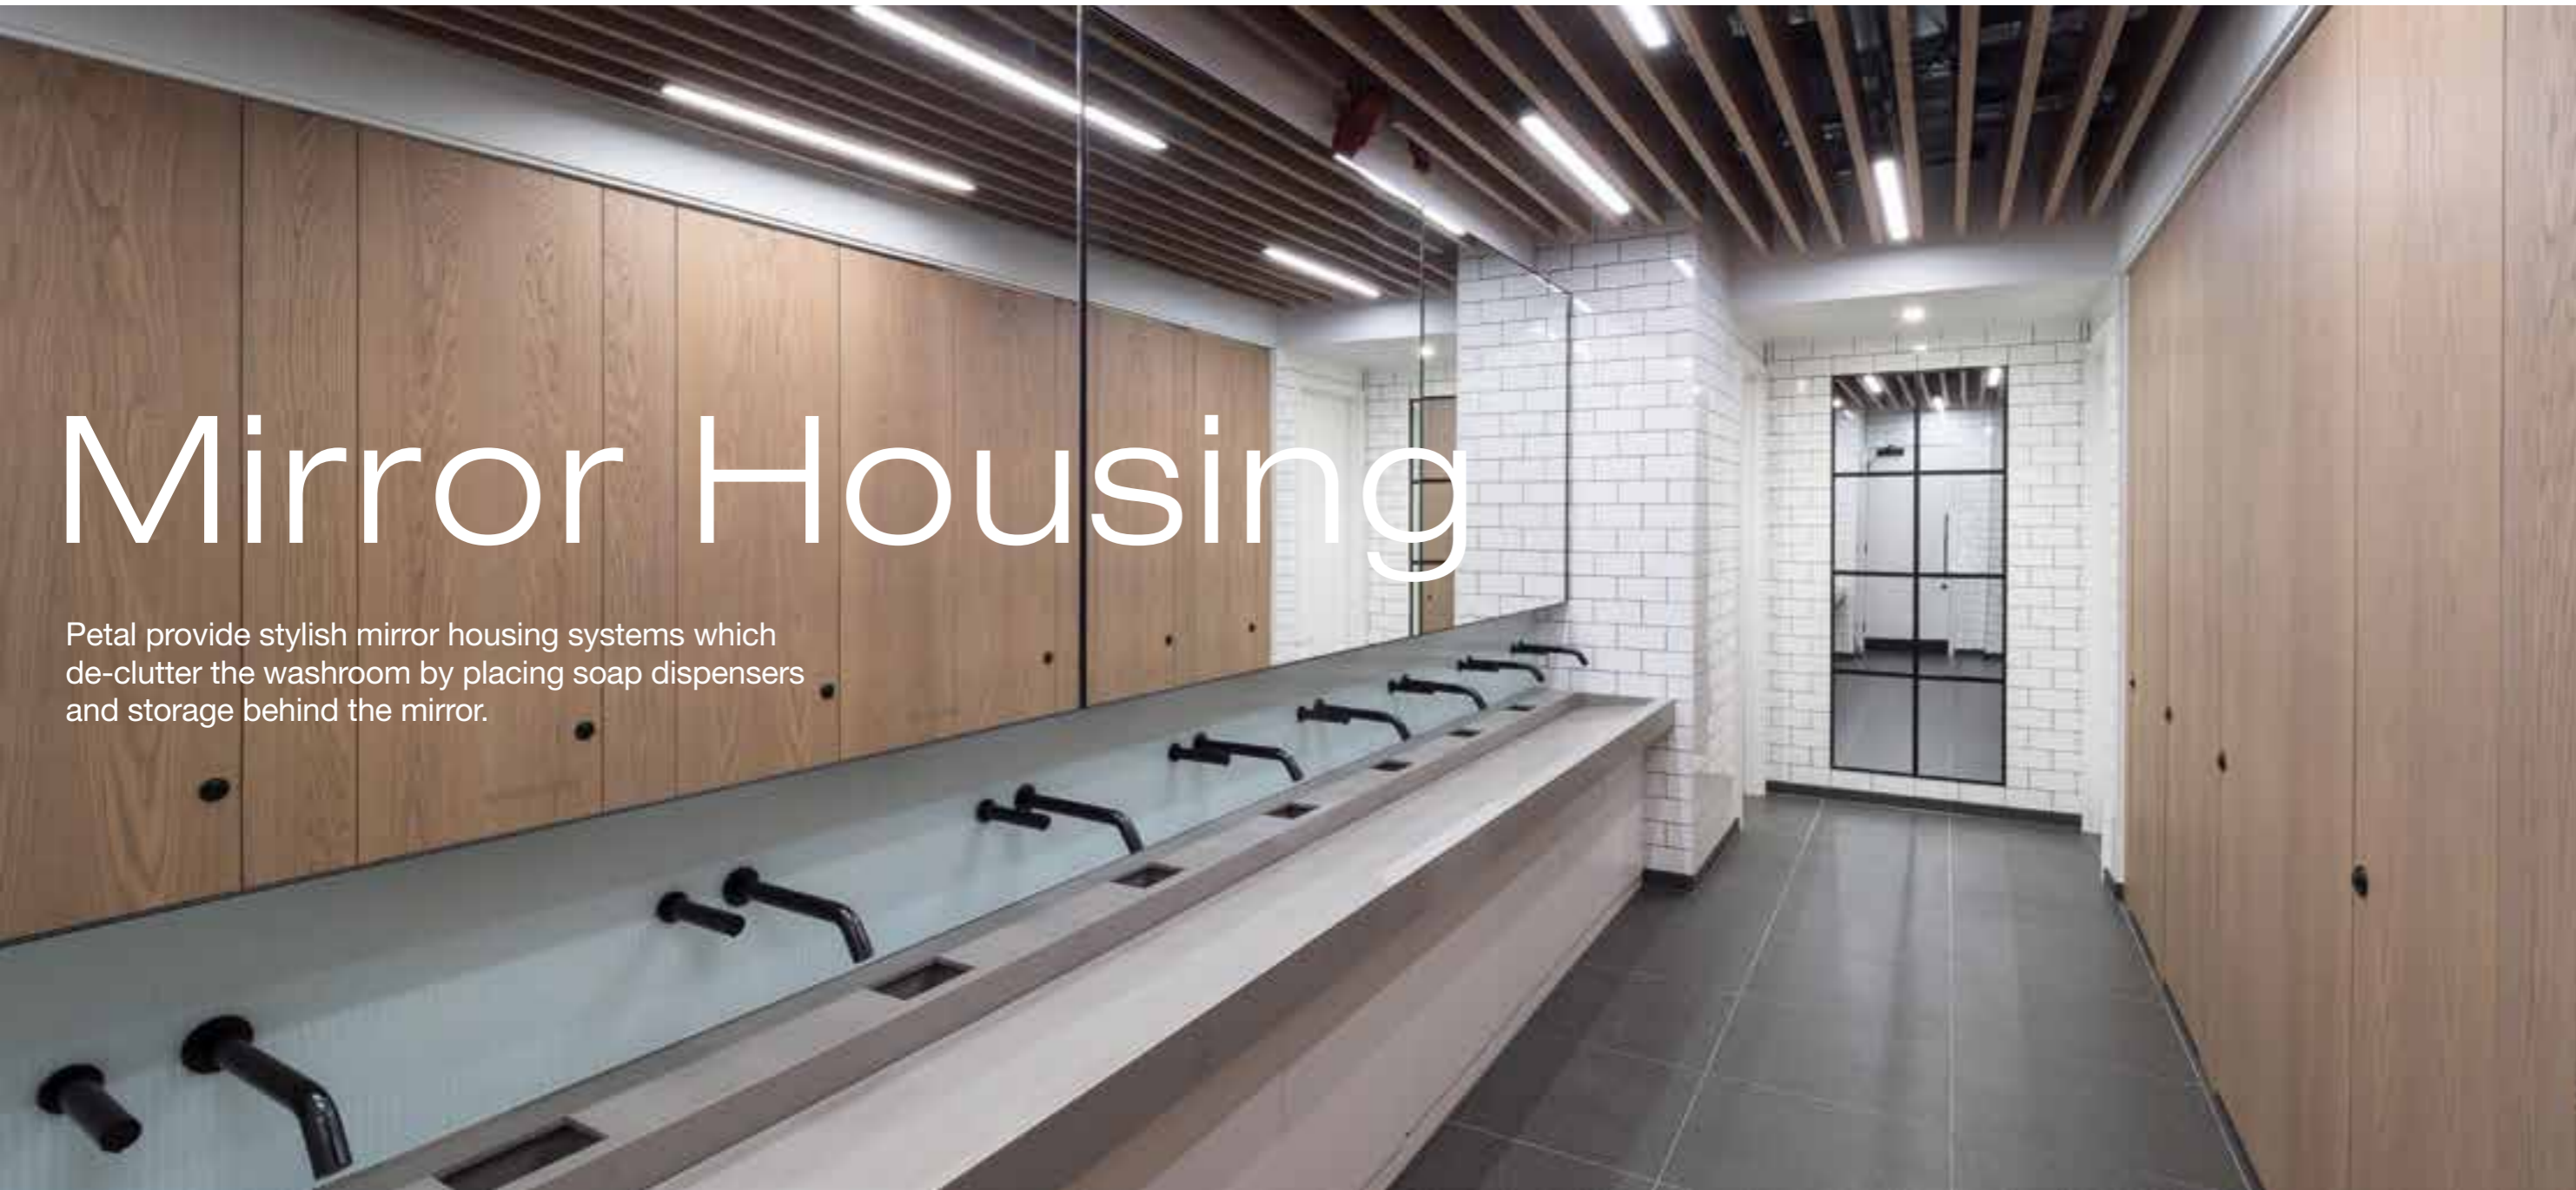

A vast range of colours and finishes are available in this Compact Grade Laminate. With 12mm thick high performance paneling and soft radiused edges, this system is designed for use across a variety of environments.

Totally Bespoke

Petal produce vanities to our clients' own designs from any of the wide range of materials, including natural stone, glass and solid surfacing.

Mirror Housing

Petal provide stylish mirror housing systems which de-clutter the washroom by placing soap dispensers and storage behind the mirror.

Mirror Housing

The Petal mirror housing system is a practical washroom solution where one or more services can be contained within a pre-fabricated unit. Mirror systems can be specified with sanitary systems in a range of materials including solid surface troughs. The option of integrated upstands in solid surfacing or glass will facilitate an easy clean environment.

- Available in a range of configurations
- Safety backed glass mirrors
- Side or top openings
- Integrated services:

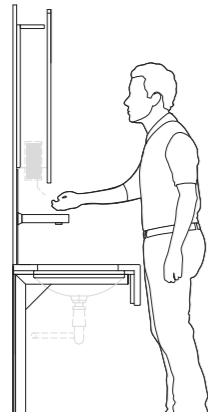

Soap

Towels

Hand dryer

Sample Service

Our Sales team are equipped with a full range of working samples for client approval and are happy to arrange a viewing at a location to suit you. We also have a full range of laminate colour samples available on request.

The latest Petal colour collections contain a vast array of solid shade and wood grain options. Our Surface Choice volumes 1 and 2 are available via our website, with chip cards also available on request. Larger A5 laminate samples are also available on request.
